## What's happening with NSHRM? Monthly Updates

### *A letter from our new Chapter President*

Welcome! First, let me thank each of you for allowing me the privilege of being your President. It is truly an honor to work with such talented and devoted Board and committee members. We work diligently together to bring knowledgeable speakers for our programs and provide you with important and valuable information each month.

I encourage each one of you to join a committee this upcoming year and work with the Board to help us make a great Chapter even stronger. Please send us information on speakers and topics that you have heard or would like to hear, so that the programs are interesting and fresh. Encourage other professionals who could benefit from Chapter membership to attend a meeting and possibly join. I hope each of you has found value in your membership this year and will renew your membership for next year. 2017 membership will be opening soon. If you are not a member, we invite you to visit our [membership page](#) and join today!

In addition, I'd like to announce a very special project that our Board has been working on this year. Our former President, Curtis Parker, Jr., felt a strong desire to have a unified vision and mission statement for our Chapter. He felt that it was important for not only the Board, but our members as well, to understand who we are as a Chapter and how we plan to enrich the HR profession. After a few months of discussion, the Board is happy to present the Vision and Mission of NSHRM!

#### *Vision Statement*

The vision of NSHRM is to serve our community by being the leading voice of Human Resource professionals throughout the Northshore on matters relating to business, legislative affairs, and professional development.

#### *Mission Statement*

NSHRM's mission is to fulfill its vision by providing its members with the knowledge and tools necessary to excel in their profession. NSHRM will accomplish this through its commitment to:

- Providing leadership, communication, and support to local human resource professionals;
- Providing professional development opportunities for Chapter members and members of the local business community;
- Continuing to be a proactive and effective voice for legislative affairs;
- Providing leadership and support in the training, development, and education of our current and future workforce; and
- Promoting and facilitating the continued development of members through certification.

On behalf of the Board of Directors, thank you all for your commitment and dedication to this profession and the Chapter! We value your opinions and want to hear from you! Please feel free to contact me any time at [northshoeshrm@yahoo.com](mailto:northshoeshrm@yahoo.com). I look forward to serving you this year!

Best Regards,

**Corianne Green**  
2017 NSHRM President

### NSHRM Successfully Reaches Out to Local Students

The launch of the Northshore SHRM Speaker's Bureau was a great success as a match was made between Pearl River High School and NSHRM member, Jessie Whittington, the Personnel Development Manager from Weeks Marine. Ms. Kaske requested presentations to three of her Entrepreneurship classes of juniors and seniors on the topic of HOW TO SUCCEED IN A NEW JOB. Ms. Kaske was so pleased with the results that she is eager to set up more presentations, noting, "I do feel this was a valuable resource for my class. He (Mr. Whittington) got the students to start thinking and being proactive toward their goals. He was very insightful with valuable information, backed by real world examples."

Join in and have a role in developing our future workforce by signing up to be a [volunteer presenter](#).
